

# CASCADE COLLECTION

BY ISSAQUAH LUMBER

## BUILD WITH CASCADE COLLECTION

Elevate your construction projects with Cascade Collection, a cutting-edge solution designed for efficiency and ease. The system features GRAD Concept and custom-milled premier wood products from Accoya, Arbor Wood, and LDCwood.

### ULTIMATE VERSATILITY, DURABILITY, AND FLEXIBILITY

The Grad system is an award-winning attachment solution for horizontal and vertical uses like decking, cladding and a perfect rainscreen application. The innovative hidden fastener system saves time and money on installation and is a durable and flexible system that will last for years.
